

ECO GARDENER WORKSHOP

In Partnership with the City of El Segundo

WHEN:

Sat, Jun 22, 2024
10:00am - 12:00pm

WHERE:

George E. Gordon Clubhouse
300 E. Pine Ave.
El Segundo, CA 90245

Drought Tolerant Gardens

Planting a drought-tolerant garden can alleviate the high demand on our precious water resources while saving you money! Learn how to successfully design a drought tolerant landscape. Topics include developing a palette of climate-appropriate plants with a focus on California natives, applying key design principles, and laying out a successful planting plan.

Our knowledgeable instructors will guide you through climate-friendly and sustainable gardening practices, while answering all your questions!
