ECO GARDENER WORKSHOP  IN PARTNERSHIP WITH Liberty Utilities

Make your garden the envy of your neighbors while simultaneously saving water and creating a productive ecosystem! The WRD Eco Gardener program teaches homeowners about the multiple benefits of planting a sustainable garden through a series of three classes. Whether you attend one or attend all three, you’re certain to walk away with knowledge about sustainable design concepts as well as plant and material selections for creating an attractive, water efficient garden.

WHERE:
City of Norwalk
Council Chambers,
12700 Norwalk Blvd.
Norwalk, CA 90650

6pm-8pm  SUSTAINABLE LANDSCAPE DESIGN
Look to nature for the answer! This class explores the philosophy of natural watershed design which uses minimal resources while increasing the aesthetics, and possibly the value, of your property.

APRIL 11 THURSDAY

6pm-8pm  EDIBLE GARDENING
Turn part of your ordinary landscape into a lush edible garden. Use your water in a way that will benefit you and your family while creating a sustainable environment that you can be proud of.

APRIL 18 THURSDAY

6pm-8pm  DROUGHT TOLERANT PLANTS
Planting a drought-tolerant garden can alleviate the high demand on our precious water resources while saving you money! With many plants to choose from, get creative with your eco-friendly garden.

APRIL 25 THURSDAY
