A meeting of the Administrative Committee of the Board of Directors of the Water Replenishment District of Southern California was held on November 22, 2011 at 2:24 p.m. at the District Office, 4040 Paramount Boulevard, Lakewood, California. Chairperson Willard H. Murray, Jr. called the meeting to order and presided thereover. Administrative Specialist Sheryll Moffat recorded the minutes.

1. **DETERMINATION OF QUORUM**
   Attendees included:
   Committee: Directors Willard H. Murray, Jr. and Lillian Kawasaki
   Staff: Scott Ota, Jenna Shaunessy, Jim McDavid, Special Counsels David Alvarez and Wendy Tseng

2. **PUBLIC COMMENT**
   None.

3. **MINUTES OF THE MEETING OF AUGUST 8, 2011**
   The minutes were approved as submitted.
   
   The agenda items were taken out of order.

5. **ADMINISTRATIVE CODE REVISION-APPROVAL OF STAFF EXPENSES**
   Manager of Finance and Administration Jenna Shaunessy stated that this is a procedural change to improve efficiency by adding the Manager of Finance and Administration to approve reimbursement of expenses submitted by staff. Ms. Shaunessy said that currently both the General Manager and the Chief Financial Officer are authorized to approve reimbursement of staff expenses.

   Director Kawasaki asked if this proposed revision changes any other areas of the Administrative Code or affects expenses to which staff replied that it does not.

   The Committee approved the staff recommendation to authorize the Manager of Finance and Administration, in addition to the General Manager and Chief Financial Officer, to approve reimbursement of staff expenses, and adopt Resolution No. 11-917 revising Section 7.3.2 of the Administrative Code.
4. **WRD ADMINISTRATION BUILDING HVAC SERVICE CONTRACTS WITH CLIMATE PRO MECHANICAL AND SIGNET CONTROLS INC.**

Senior Water Resources Engineer Jim McDavid stated that staff would like to issue maintenance contracts to two different vendors in order to service the needs of the HVAC system in the building. Mr. McDavid explained that the HVAC system has two main components: a computer controlled system that controls the distribution (redirects the air flow) of air and heat within the building and another control that resides within the air conditioning units that are on the roof. He stated that both of these units are proprietary and over the last few years the District has had some heat loads that the system has been unable to meet. He noted that all the controllers need to be reprogrammed throughout the building and there is also a need to improve the communication systems between the two main components. Mr. McDavid stated that staff got additional quotes from other vendors within the District's geographical service area and staff is recommending Climate Pro Mechanical and Signet Controls Inc. He concluded by stating that the improvements will promote cost savings and better electrical system efficiency.

The Committee concurred with the staff recommendation to enter into a Professional Services Contract with Climate Pro Mechanical, subject to approval of form by District Counsel, for an amount not to exceed $20,200 to reconfigure the current system and to provide HVAC maintenance services over a period of two years; and (2) Enter into a Professional Services Contract with Signet Controls Inc., subject to approval of form by District Counsel, for an amount not to exceed $23,400 to reconfigure the current system, to integrate a computer monitoring system and to provide maintenance services for the building environmental control system over a period of two years.

6. **ADMINISTRATIVE CODE REVISION-REMOVAL OF MANAGEMENT VEHICLE ALLOWANCE**

Ms. Shaunessy stated that Section 9.3 of the Administrative Code provides for a vehicle allowance for the Assistant General Manager. She said that staff is recommending that this section be deleted.

The Committee concurred with the staff recommendation to delete Section 9.3 of the Administrative Code and approve Resolution No. 11-918.
7. **ADMINISTRATIVE CODE REVISIONS**
Chief Financial Officer Scott Ota said that Director Robles requested the Administrative Committee to review the process of evaluating Request for Qualifications and Request for Proposals as documented in Chapter 10 of the Administrative Code.

After review and discussion, the Committee recommended that no change be made to the existing policy.

8. **RECONCILIATION OF ADMINISTRATIVE CODE WITH WRD'S LABOR MOU**
Ms. Shaunessy introduced Wendy Tseng of Leal-Trejo who stated that there are two categories of employees at the District: those represented by the employees' Union and those who are not Union members.

Director Murray deferred this item to the next meeting of the committee and asked that District Counsel prepare a report on the differences between the contracts for management and non-management employees.

9. **DEPARTMENT REPORT**
Ms. Shaunessy reviewed the written report that was part of the meeting packet. Director Kawasaki asked if staff time is being tracked as well as the additional costs that the District is incurring due to the various lawsuits and CPRA requests. Ms. Shaunessy said that they are being tracked on the timesheets.

10. **DIRECTOR'S REPORTS, INQUIRIES AND FOLLOW-UP OF DIRECTIONS TO STAFF**
The Committee asked that the ACWA RFQ's come back to the Committee for review.

11. **ADJOURNMENT**
With no other business to come before the Committee, the meeting was adjourned at 3:00 p.m.

TO: ADMINISTRATIVE COMMITTEE

FROM: ROBB WHITAKER, GENERAL MANAGER

SUBJECT: RECONCILIATION OF ADMINISTRATIVE CODE WITH WRD'S LABOR MOU

SUMMARY
The Administrative Committee has requested to continue discussion regarding the reconciliation of the WRD Administrative Code and the Memorandum of Understanding (MOU) between the District and the Employees Association.

FISCAL IMPACT
None.

STAFF RECOMMENDATION
For discussion.
DATE: JANUARY 17, 2012
TO: ADMINISTRATIVE COMMITTEE
FROM: ROBB WHITAKER, GENERAL MANAGER
SUBJECT: PROFESSIONAL CERTIFICATION REVIEW

SUMMARY
It is to the District's benefit to have an educated, accredited staff both as a workforce as well as representatives of WRD in the community we serve. In order to encourage both professional and technical education and certification staff would like to clarify the Educational Rebate Program language in Section 14.11 of the Administrative Code to include review courses as part of a Continuing Education Program.

The current Administrative Code presently provides the following direction:

14.11 Educational Rebate Program

To encourage training and professional career advancement by regular full-time employees, the District will reimburse 100 percent of tuition, registration fees, books, and laboratory costs, per quarter or semester, for up to 12 units of coursework directly related to field of employment, subject to the approval of the General Manager.

To be eligible for such reimbursement, an employee must provide evidence a course has been completed with a minimum grade of "C". If the employee leaves the District employ voluntarily within 12 months of completion of such coursework, the employee is not eligible for this benefit and the tuition reimbursement amount will be deducted from final compensation.

These courses are not normally provided on a letter grade basis but can be essential in order achieve or maintain accreditation.

Licensing Courses & Exams

Discussed changes to Section 14.11 of the Administrative Code (potential language for discussion):

The District will also provide reimbursement for courses taken to prepare for licensing exams for District employees under the following circumstances:
(a) The course or courses must be taken to prepare for the licensing exam (or renewal of license exam) provided for any professional license required for the performance of duties in District employment;
(b) The requesting employee must complete the review course, provide written evidence of said completion, and successfully complete the examination for which the review course was taken (if one is offered). In the case where no examination is administered but only continuing education courses are required, the requesting employee must provide written evidence to the General Manager that the professional license in question has been renewed as a result of the successful completion of the review course.
(c) The General Manager must grant written approval to the requesting employee.
(d) At the discretion of the General Manager, the course or courses and examination may be taken to complete and meet the requirements for a related or specialized license (in addition to a license the employee may currently hold) that in the judgment of the General Manager serves the interests of the District.

The District will not reimburse the requesting employee for multiple review courses for the same accreditation due to failure to successfully complete the examination.

**FISCAL IMPACT**
Contingent upon employee participation in the program; annual impact not anticipated to exceed $5,000.

**STAFF RECOMMENDATION**
For discussion.
