TO: BOARD OF DIRECTORS OF THE WATER REPLENISHMENT DISTRICT OF SOUTHERN CALIFORNIA FINANCING AUTHORITY

FROM: ROBB WHITAKER, GENERAL MANAGER

SUBJECT: RESOLUTION OF THE BOARD OF DIRECTORS OF THE WATER REPLENISHMENT DISTRICT OF SOUTHERN CALIFORNIA FINANCING AUTHORITY (I) APPROVING THE ISSUANCE OF ITS REPLENISHMENT ASSESSMENT REVENUE BONDS, SERIES 2018 IN THE AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$125,000,000; (II) APPROVING THE FORMS AND AUTHORIZING THE EXECUTION OF AN INSTALLMENT PURCHASE AGREEMENT, AN INDENTURE OF TRUST, A PURCHASE CONTRACT AND OTHER RELATED DOCUMENTS; (III) APPROVING THE DELIVERY OF AN OFFICIAL STATEMENT; AND (IV) APPROVING CERTAIN ACTIONS IN CONNECTION THEREWITH

SUMMARY

As the District goes through the annual update of its Capital Improvement Plan (CIP) the District looks to the capital funding needs for the next 3-5 years. The Albert Robles Center (ARC) is expected to be delivering product water by December 2018 and thus completes a major accomplishment of becoming independent of expensive and unreliable imported water. The District has also completed the Goldsworthy Desalter Expansion Project which doubled the design capacity of the facility from 2.5 million gallons per day (mgd) to 5.0 mgd. As the WRD looks towards the future, it is evident that additional funds will be needed to continue WRD's mission to supply clean and reliable water to the West Coast and Central Groundwater Basins.

In January 2018, the Board of Directors approved the bond financing professionals which includes the underwriter syndicate with Wells Fargo as the senior manager and lead underwriter with Cabrera Capital and FTN Financial as the other members of the syndicate, Nixon Peabody as the District's Bond and Disclosure Counsel.

With District staff leading the Financing Team, we have the following drafts of bond documents in substantially final forms completed (documents 2-7 will be approved separately by the Water Replenishment District):

1. JPA Authority Resolution
2. Preliminary Official Statement
3. Indenture of Trust
4. Installment Purchase Agreement
5. WRD Authority Resolution
6. Continuing Disclosure Agreement
7. Bond Purchase Agreement

The District has scheduled meetings on September 18, 2018 with Fitch Ratings and Standard and Poor's to discuss the District's upcoming fiscal needs and bond sizing. Subsequent to the initial meeting, the District will correspond with the rating agencies to address any outstanding issues prior to receiving the final bond rating. The District's bond ratings will be included in the final version of the bond documents.

The attached documents need to be reviewed by the Finance/Audit Committee and forwarded to the Board of Directors for approval. Staff will also be discuss timing, bond sizing and answer any questions from the Committee.

FISCAL IMPACT

Based on SB450 5852.1 (a)(1)(A)-(D) the attached "Good Faith Estimate Rider" provides a financial assessment of the fiscal impact of the bonds based on the amount not to exceed of \$125,000,000.

STAFF

The Finance/Audit Committee recommends the Board of Directors adopt the attached resolution approving the bond documents.

Good Faith Estimates

The following information was obtained from Wells Fargo Securities, as underwriter advisor for the Bonds, with respect to the Bonds, and is provided in compliance with Senate Bill 450 (Chapter 625 of the 2017-2018 Session of the California Legislature) with respect to the Bonds:

1. *True Interest Cost of the Bonds.* Assuming the maximum aggregate principal amount of the Bonds authorized (\$125,000,000) are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the true interest cost of the Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the Bonds, is 4.50%.

2. *Finance Charge of the Bonds.* Assuming the maximum aggregate principal amount of the Bonds authorized (\$125,000,000) are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the finance charge of the Bonds, which means the sum of all fees and charges paid to third parties, is \$950,000.

3. *Amount of Proceeds to be Received.* Assuming the maximum aggregate principal amount of the Bonds authorized (\$125,000,000) are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the amount of proceeds expected to be received for sale of the Bonds less the finance charge of the Bonds described in 2 above and any reserves or capitalized interest paid or funded with proceeds of the Bonds, is \$125,000,000.

4. *Total Payment Amount.* Assuming the maximum aggregate principal amount of the Bonds authorized (\$125,000,000) are sold and based on market interest rates prevailing at the time of preparation of this information, a good faith estimate of the total payment amount, which means the sum total of all payments the District will make to pay debt service on the Bonds plus the finance charge of the Bonds described in paragraph 2 above not paid with the proceeds of the Bonds, calculated to the final maturity of the Bonds, is \$270,000,000.

Attention is directed to the fact that the foregoing information constitutes good faith estimates only. The actual interest cost, finance charges, amount of proceeds and total payment amount may vary from the estimates above due to variations from these estimates in the timing of Bond sales, the amount of Bonds sold, the amortization of the Bonds sold and market interest rates at the time of each sale. The date of sale and the amount of Bonds sold will be determined by the Authority and the District based on need for project funds and other factors. The actual interest rates at which the Bonds will be sold will depend on the bond market at the time of each sale. The actual amortization of the Bonds will also depend, in part, on market interest rates at the time of sale. Market interest rates are affected by economic and other factors beyond the District's and the Authority's control.
